BGM METALWORKS

Proven Integrity 

www.bgmmetalworks.com

BGM Metalworks Inc. is a proven leader in machining, fabrication and installation of metal products to a variety of trades.

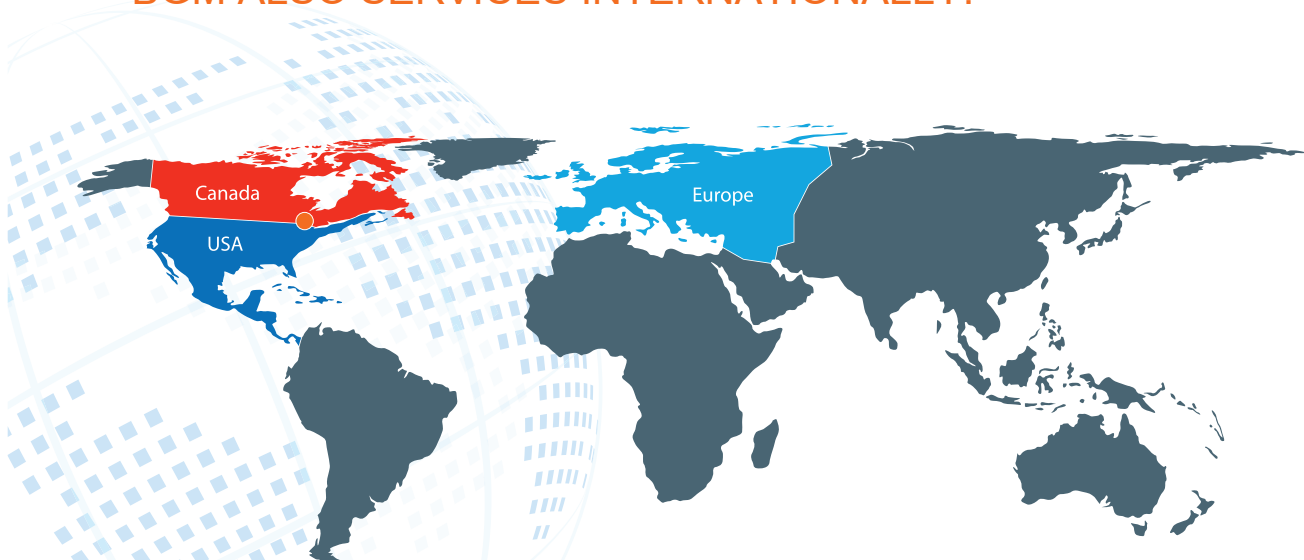

AT BGM WE PROVIDE THE FLEXIBILITY YOU NEED FOR YOUR MANUFACTURING REQUIREMENTS.

Our versatile team is ready to assist you in moving your products to market. Whether you need fabrication, welding, machined components or complete assemblies, BGM has the skill, ability and integration to provide turnkey solutions for our clients. With our in-house engineering capabilities and years of manufacturing experience, we are the preferred choice for quality work and timely deliveries.

Our clients have been able to take advantage of our “Build to Print” program and services which reduce cost and delivery times with our integrated engineering support services. We help guide the engineering and design process for our clients which results in manufacturing efficiencies.

WE PROVIDE 24 HOUR EMERGENCY SERVICE FOR OUR REGULAR CUSTOMERS.

BGM ALSO SERVICES INTERNATIONALLY.

BGM has decades of experience providing fabricating solutions that respond to customer needs.

- Custom Design and Fabrication
- Process Tanks/ Piping
- Stainless Steel and Aluminum Fabrication
- Conveyor Fabrication
- Chain Elevator Buckets
- Transition Chutes and Hoppers
- Wear Plates/Hard Weld & Ceramic
- Air Slides & Slide Gates
- Custom Punch Press work
- Full Service Fabrication Solutions

precision

- CAD / CAM
- HAAS 5 AXIS VM6
- HAAS 4 AXIS VF4
- DevLieg Horizontal Jig Mill 8' x 6' x 5'
- See website for complete equipment list
- Build to Print Services
- Precision Machining
- On-Site & Repair

With our in-house engineering capabilities and years of manufacturing experience we are the preferred choice for quality work and timely deliveries.

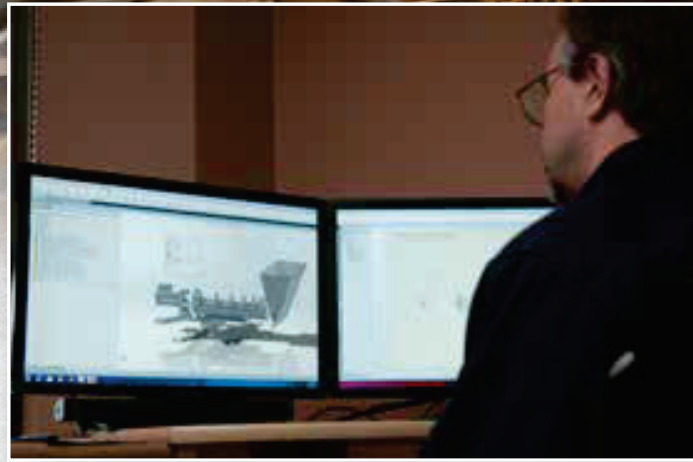

MENTOR CORP

- Specializing in Stainless & Aluminum
- Red Seal Certification
- CWB
- TSSA
- 3 CWB Welding Supervisors on Staff
- CWB Certified Welding Engineer on Retainer
- In-house Paint Facility

Full service welding solutions.

Construction

- Design, fabrication and erection of structural steel
- Catwalks, Platforms, Stairs, Ladders & Railings
- Co-ordinate and scheduling of On-Site requirements and deliveries
- Miscellaneous Metal

Over 20 years experience in the regional construction market.
